## THE VOLVO S60 R

If you've been searching for a performance saloon car then look no further – the Volvo S60 R is one of the most advanced performance saloons available. Blessed with perfectly sculpted body work and a unique interior, it certainly looks the part. But it's under the surface where it really excels – take a look through this price list to find out about the S60 R's jaw dropping performance.

### FOUR-C (CONTINUOUSLY CONTROLLED CHASSIS CONCEPT)

The S60 R is the world's first performance saloon without compromise thanks to its new Four-C chassis technology. Choose between three uniquely different driving modes that, at the touch of a button, radically alter the car's character. Comfort and Sport modes employ 'Skyhook' control technology to give either a flat comfortable ride or a firmer more sporting drive. Advanced Sport utilises 'Road Contact' control technology for an almost race car feel and ultimate speed.

### 300 BHP 5-CYLINDER TURBOCHARGED ENGINE

The new R turbocharged engine: 2.5 litres, 300 bhp, 0-62 mph in just 5.7 seconds (manual) and 400 Nm torque make it our most powerful engine yet. But what really impresses is the way that power is delivered. Four-C chassis technology with DSTC (Dynamic Stability and Traction Control) and the latest intelligent AWD optimise surface grip and traction to deliver that power where it matters most – the road. That means every ounce of power generated by the in-line 2.5 litre five-cylinder high pressure turbo-petrol engine contributes to the S60 R's surging performance. And yet the engine is equally characterised by its low emissions and refined behaviour – making it ideal for everyday driving.

### UNIQUE R FEATURES

It's not often you meet a car that lives up to expectations – the S60 R however is an exception. Wherever you look, there's evidence of the car's pedigree – subtle styling changes like the aerodynamically redesigned front end, 'R' aluminium wheels and rear boot lid spoiler hint at the car's potential. Understated and elegant – the Volvo S60 R doesn't need to shout about its performance, to catch your attention. Step inside and the S60 R continues to impress: 'R' embossed three spoke steering wheel, blue chronograph-inspired instruments, sports seats in a choice of three exclusive leather finishes and the most important detail of all – three chassis mode buttons on the dash.

- (i) For best performance and lowest fuel consumption 98 RON is recommended. 95 RON can be used for normal driving.
- (ii) These results do not express or imply any guarantee of the fuel consumption of a particular car as there are inevitable differences between individual cars of the same model. Additionally driving style, traffic conditions, as well as the age and mileage and standard of maintenance will affect a car's fuel consumption.
- (iii) The Urban fuel consumption figure is based on typical city driving, including starting the car from cold. The Extra Urban figure is based on typical motorway driving and cruising. The Combined figure averages the consumption across both cycles.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
- (v) Figure quoted without sunroof.

**Notes**

Some specifications may have lower CO<sub>2</sub> emissions than those shown. Once a vehicle has been built it will be given its own specific CO<sub>2</sub> emission figure on which Vehicle Excise Duty and company car tax, where appropriate, will be calculated. Please contact your dealer for details.

A weighbridge must be used to determine specific weights.

Data valid for manual transmission unless specified.

All measurements in mm.

Care by Volvo is a range of tailored benefits, facilities and services to make sure you get the maximum enjoyment from your Volvo.

## FINANCE

We make finance simple, clear and attractive. For private motorists, our flexible purchase schemes like Volvo Advantage make ownership affordable, with low monthly payments and low minimum deposit<sup>(i)</sup>. For business users, Volvo purchase plans, leasing and contract hire facilities offer tax efficient, versatile finance alternatives.

## ASSISTANCE

Every new car comes with one year's free RAC cover. You'll enjoy full breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can even extend cover for up to two more years at preferential rates.

## OWNERS INSURANCE

Statistics show Volvo drivers have fewer accidents. That means Volvo Owners insurance can offer competitive premiums with tailored protection and exclusive benefits. Operated in conjunction with The Royal and SunAlliance, one telephone call even deals with all arrangements for any claim.

## WARRANTY

Every new Volvo comes with comprehensive protection. Our warranty covers the first three years or 60,000 miles, whichever comes first. There's a three year unlimited warranty on the paintwork, and a full 8 years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates, at £480 and the VED (Vehicle Excise Duty) car tax effective from 1st March 2000. The 'On The Road' price also includes a £25 vehicle first registration fee (as set by the government), effective since 1st April 1998 (excludes Channel Islands and Isle of Man). Retail prices quoted do not include these additions.
