

**STAINLESS STEEL EXHAUST SYSTEMS
OUR OWN CLUB SCHEME
ESTABLISHED 1985**

For many years VOC members have purchased stainless steel exhaust systems at extremely competitive prices through our agent, Mr.E.W.Gore.

Members are offered the following facilities. Order directly from Sterling Exhausts Ltd, Tel: 01341 241281, quoting: name, address, telephone number, membership number, vehicle details and registration number. Immediate payment to Sterling Exhausts by credit card cheque or cash. Prices will continue to be competitive and your club will benefit from members purchases. Mr. Gore will also be available on 01386 841383 weekdays before 17.00 hours please. The manufacturer supplies systems for most Volvo cars as well as for many other makes of cars - all with their lifetime guarantee valid as long as you keep the car.

Examples (not a complete list) of members' prices including delivery, UK mainland, and 17.5% VAT, are given below.

Catalytic systems are supplied excluding front pipe and Cat.
In course of introduction are catalytic converters to fit some Volvo models.

Price depends on model required to be fitted.

Stainless steel clamps for most models. **£5.20** (plus £3.50 p&p if ordered separately.)

The above prices are probably cheaper than you can obtain elsewhere (if not we would like to hear from you).

Support your club and order in good time to avoid disappointment when your current exhaust fails. Your contract is directly with Sterling Exhausts Ltd.

This scheme is offered without any liability or recourse to the Club, its officials or Mr. Gore.

* supplied after cat.
