VOLVO
for life

THE VOLVO C70

The rare combination of performance, precision and stability makes it easy to enjoy life behind the wheel of a Volvo C70 Convertible. The sense of freedom and exhilaration is never further away than the touch of a button combining the performance of three petrol engines ranging between 163 bhp and 245 bhp and two generous specification levels. With unique safety solutions like our protection systems for side collisions, rear collisions and roll-over accidents make the Volvo C70 Convertible one of the world's safest open cars.

T5

The T5 2.3 litre, turbocharged, in-line, 5 cylinder engine delivers outstanding performance – producing 245 bhp and 330 Nm torque. This extremely smooth engine features variable valve timing on the exhaust side and a responsive turbocharger designed to deliver maximum torque from low and medium engine speeds. Effortless performance and refinement are balanced with excellent fuel consumption.

DOLBY SURROUND PRO LOGIC

The Volvo C70 was the first car in the world to be available with the Dolby Pro Logic Surround System^{TM(ii)}. The Pro Logic option adds an audio processor and a centre loudspeaker to the existing high performance sound system and delivers a 'wrap around' sound which transforms the car into a concert hall.

- (i) For best performance and lowest fuel consumption 98 RON is recommended. 95 RON can be used for normal driving.
- (ii) The Urban fuel consumption figure is based on typical city driving, including starting the car from cold. The Extra Urban figure is based on typical motorway driving and cruising. The Combined figure averages the consumption across both cycles.
- (iii) These results do not express or imply any guarantee of the fuel consumption of a particular car as there are inevitable differences between individual cars of the same model. Additionally driving style, traffic conditions, as well as the age and mileage and standard of maintenance will affect a car's fuel consumption.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.

Notes
 All weights for any specific vehicle will vary according to standard and optional equipment fitted. A weighbridge must be used to determine specific weights.
 Data valid for manual transmission unless specified.
 All measurements in mm.
 NB Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models.

Care by Volvo is a range of tailored benefits, facilities and services to make sure you get the maximum enjoyment from your Volvo.

FINANCE

CARE BY VOLVO

We make finance simple, clear and attractive. For private motorists, our flexible purchase schemes like Volvo Advantage make ownership affordable, with low monthly payments and low minimum deposit⁽ⁱ⁾. For business users, Volvo purchase plans, leasing and contract hire facilities offer tax efficient, versatile finance alternatives.

ASSISTANCE

CARE BY VOLVO

Every new car comes with one year's free RAC cover. You'll enjoy full breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can even extend cover for up to two more years at preferential rates.

OWNERS INSURANCE

CARE BY VOLVO

Statistics show Volvo drivers have fewer accidents. That means Volvo Owners insurance can offer competitive premiums with tailored protection and exclusive benefits. Operated in conjunction with The Royal and SunAlliance, one telephone call even deals with all arrangements for any claim.

WARRANTY

CARE BY VOLVO

Every new Volvo comes with comprehensive protection. Our warranty covers the first three years or 60,000 miles, whichever comes first. There's a three year unlimited warranty on the paintwork, and a full 8 years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates, at £480 and the VED (Vehicle Excise Duty) car tax effective from 1st March 2000. The 'On The Road' price also includes a £25 vehicle first registration fee (as set by the government), effective since 1st April 1998 (excludes Channel Islands and Isle of Man). Retail prices quoted do not include these additions.

Details

The above is just an outline of the facilities available to Volvo Owners. For full details, contact your dealer.
