

VOLVO V70 PRICING

THE VOLVO V70

The Volvo V70 simply defies categorisation. It drives like a class-leading saloon - with some of the most impressive engines in its class. It feels like a luxury saloon, yet people still insist it's the best large estate on the market. Don't worry if you can't decide either - this price list should help you find the V70 that's exactly right for you.

T5

The T5 2.4 litre, turbocharged, in-line, 5 cylinder engine delivers outstanding performance - producing 260 bhp and 350 Nm torque. This powerful engine features variable valve timing on the exhaust side and a responsive turbocharger designed to deliver maximum torque across most engine speeds. The high charge air pressure in the turbo means extra power at high revs - this is an engine to inspire active driving.

D5

The D5 2.4 litre, turbocharged, in-line, 5 cylinder, common rail diesel engine delivers very low fuel consumption and CO₂ emissions with excellent performance - producing 163 bhp and 340 Nm torque. This extremely advanced diesel engine is made entirely of aluminium giving it a similar weight to a petrol engine. This advanced design combined with second generation electronic common rail fuel injection and the variable blade turbocharger makes it one of the quietest and most advanced diesel engines available on the market.

BI-FUEL

As part of Volvo's total commitment to the environment, the V70 Bi-Fuel engines enable you to benefit from the lower cost of LPG/CNG and reduce harmful emissions to the atmosphere.

V70 SPORT

The comprehensive standard specification includes electronic climate control. 16" Mimas allov wheels, front fog lights, CD player with 6 speakers, DSTC (Dynamic Stability and Traction Control), information centre, cruise control plus all the safety features you would expect from Volvo.

The Sport model includes a host of features designed to give a sporting edge to the V70, both internally and externally. This includes unique 17" Orpheus alloy wheels, colour co-ordinated front and rear lower spoilers and lower side mouldings and a rear spoiler. Internally sports leather textile seats and aluminium trim create a sporty driver environment.

The SE model offers electric driver's seat, sports Leather-faced upholstery, 17" Orestes alloy wheels, chrome trim in front and rear bumpers, 6 x CD player with Dolby Pro Logic II Surround Sound^{™(iv)} and 9 speakers.

Basic £

(i) Euro prices shown are calculated using an exchange rate of 1.496 Euros to the £, as published in the Financial Times on 31st March 2004.

Euro prices will be subject to the prevailing exchange rate at the time of purchase. These figures are for information purposes only.

(ii) Must be installed with Steel Safety Grille (additional cost).

(iii) Indicates total fitted price post registration. At participating dealers only. To find out who is a participating dealer contact the Volvo Helpline on 0800 400 430.

(iv) Must be ordered in conjunction with Leather Upholstery. Please see dealer for details re: compatibility with other options.

(v) Grocery Bag Holder, Load Cover and Load Protection Net are removed when this item is ordered. Cannot be ordered in conjunction with Sub Woofer.

(vi) Denotes the colour of the door panels above the Inlay Trim.

For further information and a complete list of Volvo Accessories, just take a look at the new Accessory website at www.volvocars.co.uk/accessories.

(i) Liquefied Petroleum Gas.

(ii) Compressed Natural Gas.

(iii) These results do not express or imply any guarantee of the fuel consumption of a particular car as there are inevitable differences between individual cars of the same model. Additionally driving style, traffic conditions, as well as the age and mileage and standard of maintenance will affect a car's fuel consumption.

(iv) The Urban fuel consumption figure is based on typical city driving, including starting the car from cold. The Extra Urban figure is based on typical motorway driving and cruising. The Combined figure averages the consumption across both cycles.

(v) For best performance and lowest fuel consumption 98 RON is recommended. 95 RON can be used for normal driving.

(vi) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.

(vii) 2.5T, D5 and T5 transmission is 5-speed Geartronic.

(viii) Figure quoted without sunroof.

(ix) Measurements taken at height of floor covering.

Notes

The weight of the vehicle will influence the level of CO₂ emitted. As a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO₂. Once a vehicle has been built it will be given its own specific CO₂ emission on which the Vehicle Excise Duty will be charged. A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified. All measurements in mm. NB Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to price, colour, materials, specifications and models.
