YOUR OWN S60 IS IN REACH

The new S60 celebrates the joy of driving through design. Sculpted sides, a sleek profile and muscular shoulders above the rear wheels highlight the car's athletic character. Scandinavian elegance and dynamic attitude combine to give it a purposeful, focused presence. It is a car that confidently communicates its ability on the road.

Distinctive details enhance the powerful character of the new S60 and identify it as one of the new generation of Volvo cars. The prominent front grille wears its Volvo emblem proudly, while the long bonnet and deep front bumper express power. Full LED headlights with Volvo Cars' unique T-shaped light signature create an unmistakable presence, day or night. At the rear, the boot edge kicks upwards for a sportier attitude and better aerodynamics at speed.

The new S60 inspires you to drive, with a chassis that strikes a balance between comfort and control. Precise, responsive steering creates a feeling of connection to the road, providing sharp handling and maximum agility.

Purity, quality and fitness for purpose are the cornerstones of Scandinavian interior design and the interior of the new S60. Welcome to an uncluttered, inspiring space that invites you to savour the sense of luxury and focus on enjoying the drive.

The sleek centre display touch screen is your intuitive command centre with simple voice control which gives you access a world of entertainment. ¹⁾ All models are type approved to WLTP (Worldwide harmonised Light-duty vehicles Test Procedure) standards. WLTP is the new official test regime for passenger cars replacing the New European Driving Cycle (NEDC) test. WLTP emission figures will be used to calculate the vehicle tax on vehicles first registered from 1st April 2020 and from 6th April 2020 for company car Benefit-In-Kind purposes. The exact CO₂ figures of the vehicle will vary according to any options and packs specified.

²⁾ Vehicles with a retail price over £40,000 (including paint, options, packs and delivery costs) when new, pay an additional £325 per year on top of the standard rate, for five years from the start of the second licence.

³⁾ P11D value for Benefit-In-Kind purposes is the retail price plus delivery charge. BIK % is shown for the 2020/21 tax year.

⁴⁾ All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £600 and vehicle tax as 1st April 2020 (as set by the government). This charge does not include any provision for fuel. The On The Road price also includes a £55 first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.
