# YOUR OWN V90 IS IN REACH

The Volvo V90 puts you at the heart of a luxury experience. An experience where intelligent, beautiful design works in harmony with cutting edge innovation. A combination of exquisite, natural materials with sophisticated, intuitive technology that continues the journey we started with the XC90.

Building on Volvo Cars' indisputable heritage in the estate segment, which began more than 60 years ago, the Volvo V90 with its true Scandinavian styling, takes a clear step forward in terms of aesthetics, material, finish, while living up to the ultimately practical nature of any true estate.

Swedish luxury is about the beauty of simplicity, using natural and simple details to express the Scandinavian heritage enjoyed and celebrated at Volvo Cars since its creation in 1927. By using intuitive technology, Volvo's in-car infotainment control system, Sensus, the majority of functions inside the vehicle are controlled via a 9" center touch screen, removing the need for physical buttons which allows for a cleaner and freshly designed user interface.

<sup>1)</sup> All models are type approved to WLTP (Worldwide harmonised Light-duty vehicles Test Procedure) standards. WLTP is the new official test regime for passenger cars replacing the New European Driving Cycle (NEDC) test. WLTP emission figures will be used to calculate the vehicle tax on vehicles first registered from 1<sup>st</sup> April 2020 and from 6<sup>th</sup> April 2020 for company car Benefit-In-Kind purposes. The exact CO<sub>2</sub> figures of the vehicle will vary according to any options and packs specified.

<sup>2)</sup> Vehicles with a retail price over £40,000 (including paint, options, packs and delivery costs) when new, pay an additional £325 per year on top of the standard rate, for five years from the start of the second licence.

<sup>3)</sup> P11D value for Benefit-In-Kind purposes is the retail price plus delivery charge. BIK % is shown for the 2020/21 tax year (rates are provisional and yet to be confirmed by UK government).

<sup>4)</sup> All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £600 and vehicle tax as 1<sup>st</sup> April 2020 (as set by the government). This charge does not include any provision for fuel. The On The Road price also includes a £55 first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

All models are type approved to WLTP (Worldwide harmonised Light-duty vehicles Test Procedure) standards. WLTP is the new official test regime for passenger cars replacing the New European Driving Cycle (NEDC). Figures are intended for comparability purposes and do not express or imply any guarantee of the fuel consumption of a particular car. The fuel consumption achievable under real world driving conditions and CO<sub>2</sub> produced will depend upon a number of factors including accessories fitted after registration, variations in driving style, weather conditions and vehicle load.
