VOLVO XC40
NEW

YOUR OWN XC40 IS IN REACH

The new Volvo XC40 is the authentic SUV for the city. High ground clearance, large wheels and true SUV proportions give it a powerful stance. And from the T-shaped front light signatures, to the beautifully detailed tail-light, it's every inch a Volvo. Uniquely Scandinavian and unmistakably urban, it's built for city life.

Bold, progressive design is the hallmark of the new Volvo XC40, and the cabin embodies forward-thinking Scandinavian style. An uncluttered layout lets you focus on the beautiful details, while the high seating position means you always feel in control. Carefully crafted and selected materials indulge the senses, and intuitive technology, such as the central Sensus touchscreen, puts you in command.

The new Volvo XC40, designed to make every day easier.
