VOLVO XC60

YOUR OWN XC60 IS IN REACH

The Volvo XC60 is an evolution of the dynamic Swedish SUV experience, with style, prestige and presence. It perfectly encapsulates both Volvo's XC and luxury values, so whether you're after a refined city drive or an exhilarating adventure, this in-command SUV is intuitive to use, a pleasure to drive and beautiful to behold.

Contemporary Scandinavian design is inspired by ingenuity and creativity to make the everyday less complex in the pursuit of a high standard of living. Volvo's refreshing purity of form stands out in a world of excessive styling. This means a strong silhouette, perfect proportions and an elegance that inspires you every time you drive your car.

Volvo's central interface, Sensus, puts you in control of a wealth of advanced technologies; with its intuitive approach it makes the way that you interact with your Volvo so easy and natural. Sensus gives you all the information you need, when you need it, whilst connecting you to the world around you, making sure that when you are on the road you are never offline.

Volvo's reputation as leader in safety continues with the new XC60, offering a range of technologies designed to support your daily drive. Known as Intellisafe, these technologies prevent accidents and protect you, helping to accomplish our vision that by 2020, nobody shall be killed or seriously injured in a new Volvo car.

¹⁾ All models are type approved to WLTP (Worldwide harmonised Light-Duty vehicles Test Procedure) standards. WLTP is the new official test regime for passenger cars replacing the New European Driving Cycle (NEDC) test. WLTP emission figures will be used to calculate the vehicle tax on vehicles first registered from 1st April 2020 and from 6th April 2020 for company car Benefit-In-Kind purposes. The exact CO₂ figures of the vehicle will vary according to any options and packs specified.

²⁾ Vehicles with a retail price over £40,000 (including paint, options, packs and delivery costs) when new, pay an additional £320 per year on top of the standard rate, for five years from the start of the second licence.

³⁾ P11D value for Benefit-In-Kind purposes is the retail price plus delivery charge. BIK % is shown for the 2020/21 tax year (rates are provisional and yet to be confirmed by UK government).

⁴⁾ All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £600 and vehicle tax as 1st April 2020 (as set by the government – rates to be confirmed and subject to change). This charge does not include any provision for fuel. The On The Road price also includes a £55 first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.
