# THE VOLVO XC90

Welcome. You are about to take a detailed look at the Volvo XC90 – Volvo's next generation SUV (Sports Utility Vehicle). The XC90 has been one of the year's most talked about and anticipated vehicles. So why not take a look?

## T6

The T6 2.9 litre, twin turbocharged, in-line, six cylinder engine delivers outstanding performance – producing 272 bhp and 380 Nm torque. This extremely smooth engine features dual variable valve timing on both intake and exhaust sides and responsive twin turbochargers designed to deliver maximum torque from low and medium engine speeds. Effortless performance is combined with excellent fuel consumption and CO<sub>2</sub> emissions.

## D5

The D5 2.4 litre, turbocharged, in-line, five cylinder, common rail diesel engine delivers very low fuel consumption and CO<sub>2</sub> emissions with excellent performance – producing 163 bhp and 340 Nm torque. This second-generation electronic fuel injection engine is made entirely of aluminium – giving it a similar weight to a petrol engine. Add that to the variable blade turbocharger and you've got one of the quietest and most advanced diesel engines on the market.

## ELECTRONIC AWD

The electronically controlled AWD (All Wheel Drive) system automatically distributes drive between the front and rear wheels within a fraction of a second as conditions demand. This intelligent system optimises traction and stability in all conditions and aids fuel consumption.

## INTELLIGENT 7 SEAT SYSTEM

The XC90 features an innovative and safe 7 seat interior configuration. At first glance the luxurious interior offers a traditional 5 seat configuration – but hidden in the rear load floor are 2 additional seats. Each of the 6 passenger seats can be independently folded flat offering one of the most versatile interiors available. Each seat has the usual Volvo full complement of equipment. The middle 2nd row seat also features an integrated child booster cushion.

## XC90 S

The comprehensive standard specification includes electronic climate control, 17" Neptune alloy wheels, high performance audio system including 160 W output with CD player and 8 speakers, DSTC, load compensating suspension and rear park assist.

And that's not forgetting the safety features you would expect from Volvo – including the new RSC (Roll Stability Control) system.

	Basic £	VAT £	Rec Retail Price £	On The Road Price £	On The Road Price € <sup>(i)</sup> Euros

(ii) Manual available from late 2003.

## XC90 SE

If you're after that little bit extra then our SE specification can give you exactly what you need.

Including all the features available in the S model as standard, the XC90 SE also offers an electric drivers seat with memory, luxurious leather-faced upholstery, real wood inlays, 18" Atlantis alloy wheels and a 6 disc CD changer.

18" Atlantis Alloy wheels – 235/60 R18V Continental Premium Contact	

**Notes**

- (i) For best performance and lowest fuel consumption 98 RON is recommended. 95 RON can be used for normal driving.
- (ii) These results do not express or imply any guarantee of the fuel consumption of a particular car as there are inevitable differences between individual cars of the same model. Additionally driving style, traffic conditions, as well as the age, mileage and standard of maintenance will affect a car's fuel consumption.
- (iii) The Urban fuel consumption figure is based on typical city driving, including starting the car from cold. The Extra Urban figure is based on typical motorway driving and cruising. The Combined figure averages the consumption across both cycles.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
- (v) Without sunroof.
- (vi) Measurement taken at height of floor covering.

All weights for any specific vehicle will vary according to standard and optional equipment fitted. A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified. All measurements in mm.

NB Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models.

Care by Volvo is a range of tailored benefits, facilities and services to make sure you get the maximum enjoyment from your Volvo.

## FINANCE

CARE BY VOLVO

We make finance simple, clear and attractive. For private motorists, our flexible purchase schemes like Volvo Advantage make ownership affordable, with low monthly payments and low minimum deposit<sup>(i)</sup>. For business users, Volvo purchase plans, leasing and contract hire facilities offer tax efficient, versatile finance alternatives.

## ASSISTANCE

CARE BY VOLVO

Every new car comes with one year's free RAC cover. You'll enjoy full breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can even extend cover for up to two more years at preferential rates.

## OWNERS INSURANCE

CARE BY VOLVO

Statistics show Volvo drivers have fewer accidents. That means Volvo Owners insurance can offer competitive premiums with tailored protection and exclusive benefits. Operated in conjunction with The Royal and SunAlliance, one telephone call even deals with all arrangements for any claim.

## WARRANTY

CARE BY VOLVO

Every new Volvo comes with comprehensive protection. Our warranty covers the first three years or 60,000 miles, whichever comes first. There's a three year unlimited warranty on the paintwork, and a full 8 years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates, at £480 and the VED (Vehicle Excise Duty) car tax effective from 1st March 2000. The 'On The Road' price also includes a £25 vehicle first registration fee (as set by the government), effective since 1st April 1998 (excludes Channel Islands and Isle of Man). Retail prices quoted do not include these additions.

### Details

The above is just an outline of the facilities available to Volvo Owners. For full details, contact your dealer, or visit [www.volvocars.co.uk](http://www.volvocars.co.uk)
