VOLVO'S PERFORMANCE PLUS

- * 2.3-litre Five Cylinder Turbo Engine
- * 240bhp
- * Top Speed 155mph
- * 0-60 in around 7 seconds

Is it a Bird? Is it a Plane? No, it's a high performance special version of the Volvo 850 T-5 - the Volvo 850 plus 5.

Recently unveiled at the Geneva Motor Show the exciting new 240bhp,155mph Volvo 850 plus 5 - packing a stunning 2.3-litre punch - will go on sale in the UK at the end of the year.

Set for a limited production run of only 2500 units, just 50 right-hand drive examples are earmarked for the UK. Achieving even more power than the highly acclaimed 850 T-5, the 850 plus 5 and 850 T-5 will offer the driving enthusiast high performance with advanced safety features and exceptional value for money.

The plus 5 will be available in 4-door saloon with 5-speed manual or 4-speed automatic transmissions.

From the outside the Volvo 850 plus 5 is distinguishable by the cream yellow paintwork, with contrasting five-spoke 17 inch wheels in gunmetal grey. The interior features leather upholstery and wooden inlays of black-tinted burr walnut enhance the impression of sporty elegance.
