

XC90 S

The comprehensive standard specification includes electronic climate control, 17" Neptune alloy wheels, high performance audio system including 160 W output with CD player and 8 speakers, DSTC, load compensating suspension and rear park assist.

And that's not forgetting the safety features you would expect from Volvo – including the new RSC (Roll Stability Control) system.

XC90 SE

If you're after that little bit extra then our SE specification can give you exactly what you need.

Including all the features available in the S model as standard, the XC90 SE also offers an electric drivers seat with memory, luxurious leather-faced upholstery, wood effect inlays, 18" Atlantis alloy wheels and a 6 disc CD changer.

**Notes**

<sup>†</sup>For best performance and lowest fuel consumption 98 RON is recommended. 95 RON can be used for normal driving.

\*Measurement taken at height of floor covering.

<sup>†</sup>Without sunroof.

All weights for any specific vehicle will vary according to standard and optional equipment fitted.

A weighbridge must be used to determine specific weights.

Data valid for manual transmission unless specified.

\*\*Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.

All measurements in mm.

NB Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models.
