for life

THE VOLVO XC90

Welcome. You're about to take a closer look at the Volvo XC90 – Volvo's next generation SUV (Sports Utility Vehicle). One of the most revolutionary new cars in recent years, the XC90 has surpassed expectations of what an SUV can be. Outstanding passenger comfort for up to 7, excellent fuel consumption, advanced All Wheel Drive and stunning good looks all combine in this harmonious design.

T6

The T6 2.9 litre, twin turbocharged, in-line, six cylinder engine delivers outstanding performance – producing 272 bhp and 380 Nm torque. This extremely smooth engine features dual variable valve timing on both intake and exhaust sides and responsive twin turbochargers designed to deliver maximum torque from low and medium engine speeds. Effortless performance is combined with excellent fuel consumption and CO₂ emissions.

D5

The D5 2.4 litre, turbocharged, in-line, five cylinder, common rail diesel engine delivers very low fuel consumption and CO₂ emissions with excellent performance – producing 185 bhp and 400 Nm torque. This third-generation electronic fuel injection engine is made entirely of aluminium – giving it a similar weight to a petrol engine. Add that to the variable blade turbocharger and you've got one of the cleanest and most advanced diesel engines on the market. A 2.4D version with 163 bhp is also available.

AWD WITH INSTANT TRACTION™

The electronically controlled AWD (All Wheel Drive) system with Instant Traction™ automatically distributes drive between the front and rear wheels within a fraction of a second as conditions demand. This intelligent system optimises traction and stability in all conditions and aids fuel consumption.

INTELLIGENT 7 SEAT SYSTEM

The XC90 features an innovative and safe 7 seat interior configuration. At first glance the luxurious interior offers a traditional 5 seat configuration – but hidden in the rear load floor are 2 additional seats. Each of the 6 passenger seats can be independently folded flat offering one of the most versatile interiors available. Each seat has the usual Volvo full complement of equipment. The middle 2nd row seat also features an integrated child booster cushion.

XC90 S

The S model comes with all the features you'd expect from a Volvo. Beyond the 17" Antaeus wheels and RSC (Roll Stability Control) system, S offers dual-zone climate control, rear Park Assist and power door mirrors and windows. Interior details include a leather steering wheel, Piano Black inlays and our High Performance audio system with 8 speakers and CD player.

XC90 EXECUTIVE

The Executive is the ultimate in Volvo luxury. Beginning with its refined exterior style, door mirrors, door handles and rubbing strips all share the body colour. Bi-Xenon headlights and 18" Nereus split rim wheels are further highlights. Inside the cabin, inlays of walnut provide a warm welcome, while Executive Soft Leather upholstery, extra padding and armrests pamper. Further features include a fridge, RTI navigation system, and our Premium Sound Dolby Pro Logic II Surround Sound with MD player.

Notes

- (i) For best performance and lowest fuel consumption 98 RON is recommended. 95 RON can be used for normal driving.
 - (ii) These results do not express or imply any guarantee of the fuel consumption of a particular car as there are inevitable differences between individual cars of the same model. Additionally driving style, traffic conditions, as well as the age, mileage and standard of maintenance will affect a car's fuel consumption.
 - (iii) The Urban fuel consumption figure is based on typical city driving, including starting the car from cold. The Extra Urban figure is based on typical motorway driving and cruising. The Combined figure averages the consumption across both cycles.
 - (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
 - (v) Without sunroof.
 - (vi) Measurement taken at height of floor covering.
- The weight of the vehicle will influence the level of CO₂ emitted. As a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO₂. Once a vehicle has been built it will be given its own specific CO₂ emission on which the Vehicle Excise Duty will be charged. A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified. All measurements in mm.
- NB Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models.

**CARE
BY VOLVO**

THE END IS JUST THE BEGINNING

It's a simple idea; one point of contact for all your car ownership needs – whether it's about finding the right finance deal or who to contact in an emergency. To get the most out of owning your Volvo, trust Care by Volvo.

STARTING OFF ON THE RIGHT FOOT

You might be surprised how easy and flexible financing can be. Our range of finance, service and insurance options allows you to budget around one key factor – your lifestyle.

FINANCE/LEASE

As part of Volvo, Volvo Car Finance has developed a series of funding plans that will provide you with maximum choice and flexibility when acquiring a Volvo.

INSURANCE

Volvo Owners Insurance is designed for Volvo drivers and because we know Volvos inside out, we can offer exactly the right tools and expertise, fitting only genuine Volvo parts by trained Volvo technicians. Because Volvo drivers have an excellent reputation, we can also offer extensive cover at a reasonable price.

Call now for your insurance quote on **0800 238 239**⁽ⁱ⁾, quoting reference BROCH.

MAKING LIFE EASIER

Owning a Volvo should be a safe and enjoyable experience. To ensure it stays that way, we're committed to providing you with the best in support for as long as you own one.

SERVICE PROGRAMME

Your Volvo dealer has the unique know-how to tailor a service programme according to Volvo's strict recommendations and guarantees you years of safety and driving pleasure.

VOLVO ON CALL

Subscribe to Volvo On Call and you'll never be completely on your own. It's a GPS-based communication system providing 24-hour access to both emergency and roadside assistance wherever you are. See the Volvo On Call brochure for more information.

LOOKING AHEAD

You'll probably never find out just how good some of these services are. But should the unexpected happen, we'd like to think that you'd be even happier you chose a Volvo.

ROADSIDE ASSISTANCE

Every new car comes with one year's free RAC cover. You'll enjoy full breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can even extend cover for up to two more years at preferential rates.

WARRANTY

Every new Volvo comes with comprehensive protection. Our warranty covers the first three years or 60,000 miles, whichever comes first. There's a three year unlimited warranty on the paintwork, and either eight or twelve years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

For tax free sales, including Military, Diplomat and all other Export enquiries, contact Volvo Car UK Tourist & Diplomat Sales or Volvo Car UK British Military Sales on **01707 262 388** or e-mail to vcukics@volvocars.com or bms@volvocars.com
