

VOLVO XC70 PRICING

THE VOLVO XC70

Do you prefer on-road performance or off-road ability? Thankfully, with the XC70, Volvo has removed the need for this question. The XC70 is perfectly at home on any terrain – and with the help of this price list you can feel perfectly at home in your very own cross country vehicle.

D5

The D5 2.4 litre, turbocharged, in-line, 5 cylinder, common rail diesel engine delivers very low fuel consumption and CO₂ emissions with excellent performance – producing 185 PS and 400 Nm torque. This advanced design combined with third-generation electronic common rail fuel injection, variable blade turbocharger and a diesel particulate filter, makes it one of the cleanest and most advanced diesel engines available on the market.

AWD WITH INSTANT TRACTION™

The electronically controlled AWD (All Wheel Drive) system with Instant Traction™ automatically distributes drive between the front and rear wheels within a fraction of a second as conditions demand. This intelligent system optimises traction and stability in all conditions and aids fuel consumption.

XC70 SE

The SE offers everything you would expect of an all-road Volvo and more. Leather upholstery and aluminium trim welcome you onboard. There's a High Performance sound system with 6-CD changer and various intuitive features, such as the automatic rain sensor and autodimming rear-view mirror. And on the outside, 16" Erinus wheels, front fog lights and front and rear skidplates make sure your presence doesn't go unnoticed.

XC70 SE SPORT

The SE Sport model combines the luxury features of the SE with sports styling and handling enhancements. Speed dependent power steering and Volvo's Four-C active chassis system, with two user settings, allow you to set up the car exactly to your liking. 17" Oreander alloy wheels and a rear spoiler enhance the visual presence. The interior has added sporting credentials with chronograph instrument dials and a sports steering wheel, gear knob and handbrake lever.

XC70 SE LUX

The SE Lux includes the ultimate motoring equipment. Above and beyond SE specification, the SE Lux has a Four-C active chassis system, electrically adjustable front seats and Bi-Xenon headlights with power washers. Walnut inlays and heated seats further enhance the interior comfort level – as does the 300 W 11 speaker Premium Sound system with Dolby® Pro Logic II Surround.

- (i) These results do not express or imply any guarantee of the fuel consumption of a particular car as there are inevitable differences between individual cars of the same model. Additionally driving style, traffic conditions, as well as the age and mileage and standard of maintenance will affect a car's fuel consumption.
- (ii) The Urban fuel consumption figure is based on typical city driving, including starting the car from cold. The Extra Urban figure is based on typical motorway driving and cruising. The Combined figure averages the consumption across both cycles.
- (iii) For best performance and lowest fuel consumption 98 RON is recommended. 95 RON can be used for normal driving.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
- (v) Figure quoted without sunroof.
- (vi) Measurement taken at height of floor covering.

Notes

The weight of the vehicle will influence the level of CO₂ emitted. As a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO₂. Once a vehicle has been built it will be given its own specific CO₂ emission on which the Vehicle Excise Duty will be charged.

A weighbridge must be used to determine specific weights.

Data valid for manual transmission unless specified.

All measurements in mm.

The Max. output figures are quoted in PS (Pferdestärke), which is the metric equivalent of brake horsepower.

MAKING LIFE EASIER

Owning a Volvo should be a safe and enjoyable experience. To ensure it stays that way, we're committed to providing you with the best in support for as long as you own one.

SERVICE PROGRAMME

Your Volvo dealer has the unique know-how to tailor a service programme according to Volvo's strict recommendations and guarantees you years of safety and driving pleasure.

VOLVO ON CALL

Subscribe to Volvo On Call and you'll never be completely on your own. It's a GPS-based communication system providing 24-hour access to both emergency and roadside assistance wherever you are. See the Volvo On Call brochure for more information.

LOOKING AHEAD

You'll probably never find out just how good some of these services are. But should the unexpected happen, we'd like to think that you'd be even happier you chose a Volvo.

ROADSIDE ASSISTANCE

Every new car comes with one year's Volvo Assistance cover. You'll enjoy free breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can even extend cover for £85 for one year or £155 for two years.

Call Volvo Assistance on **08701 650 978**.

WARRANTY

Every new Volvo comes with comprehensive protection. Our warranty covers the first three years or 60,000 miles, whichever comes first. There's a three year unlimited mileage warranty on the paintwork, and either eight or twelve years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.
