

# S70

**VOLVO**

# S70

## **A choice.**

The Volvo S70. A marriage of pure sporting excitement with comfort and prestige.

From an award-winning pedigree, the S70 delivers control and power with a fresh innovative vision. Sleek, flowing lines conceal a spacious interior where comfort, luxury and safety have been overriding design criteria.

The S70 is equipped to deliver, engineered to perform and styled to inspire.

Four different levels of model specification coupled with equipment packs and options provide a car tailored to your lifestyle. Seven different engines, both petrol and diesel, offer performance ranging from turbocharged acceleration to economical commuting. Anti-lock ABS braking and a choice of tuned chassis types guarantee unprecedented handling and control.

With Volvo, there's the added assurance of reward with responsibility. Award-winning safety systems. Environmentally-influenced design. A dynamic dealer network. Worry-free ownership.

Each S70 is exclusively built to order, by us, for you.

This brochure, with your dealer, will help you make your choice.

# S70

## S70 standard equipment includes:

### Safety

SIPS (Side Impact Protection System)

SIPS Airbags

Driver's Airbag

Front Seat Belt Pre-tensioners

Height Adjustable Front Seat Belts

5 Three-point Seat Belts

Head Restraints for all five seats

ABS (Anti-lock Brakes)

Tinted Windows

High Level LED Brake Light

### Exterior

Colour Coordinated Bumpers and Door Mirrors

Vented Wheelcovers

### Interior

Heater Unit with Driver and Passenger Temperature Controls

Pollen Filter

Power Steering

Delta-link Independent Rear Suspension

Madison Plush Upholstery

Asymmetric Split-folding Rear Seat

Forward Folding Front Passenger Seat

Exterior Temperature Gauge

Electric Front and Rear Windows

High Front Armrest

SC802 RDS Radio Cassette with 8 Speakers and Auto Sound Control

Internal Boot + Fuel Flap Release

Electrically Adjustable and Heated Door Mirrors

### Security

Deadlocking System

Remote Control Central Locking including Fuel Flap

Anti-theft Alarm

Immobiliser

Locking Wheel Nuts (Alloy Wheels)

## Driving luxury.

The S70 redefines the experience of executive driving.

Inside, the sense of quality is unmistakable. Reach for any control and you'll find it feels tactile and positive. The cabin is spacious, light and airy, comfortably cool thanks to lightly tinted glass. A gently swept dashboard places instruments clearly and logically. Seats are firm and supportive, reducing muscle tiredness and fatigue on long journeys.

S70 design celebrates functionality. The RDS radio cassette features self-adjusting volume, automatically adjusting to the road speed. Controls like the electric mirror joystick, fuel flap release and boot release mechanism are conveniently recessed in the driver's door. The Thatcham approved alarm and locking system is remote operated. The control unit includes a special boot opening button for quick, easy access when carrying shopping or goods.

Of course, driving enjoyment is about safety and protection, too. Every S70 includes three-point inertia reel seat belts, side airbags on the front seats, Volvo's Side Impact Protection System (SIPS) and a driver's airbag.

It's not every day you buy a new car.  
So when you do, it's important you're free to  
express yourself.

We understand perfectly. That's why, in addition  
to the comprehensive equipment provided as  
standard, we offer additional choices and  
refinements through models, packs and options.

For an enhanced all-inclusive S70 specification,  
choose one of our SE or CD S70 models.

Each represents outstanding value.

## S70 SE

### **Travelling refinement.**

When you're travelling you deserve a little  
comfort and refinement. The S70 SE adds the  
essential touches. Equipment includes a choice  
between an air conditioning system or an electric  
sunroof for summer sunshine. A leather-trimmed  
steering wheel, alloy wheels and a rear spoiler  
add sporting style and flair. Front fog lamps  
ensure optimum visibility. An integrated child  
seat folds out from the rear passenger seat.

### **S70 SE equipment includes:**

#### **S70 plus:**

Air Conditioning or  
Electric Sunroof  
Leather Steering Wheel  
Integrated Child Seat  
Information Centre  
Fog Lights  
Rear Spoiler  
1 5" Antlia Alloy Wheels -  
195/60R15V Tyres (Four)  
1 6" Perfo Alloy Wheels -  
205/50R1 5W Tyres (T5) (Four)

## S70 CD

### **Touring luxury.**

For the ultimate in luxury, indulge yourself with  
the S70 CD. Sumptuous leather-faced upholstery  
competes with a rich, red wood dashboard. The  
electric driver's seat adjusts at the touch of a  
button. An advanced Electronic Climate Control  
Unit (ECC) automatically maintains a set  
temperature inside the car, whatever the season.  
Cruise control makes motorway driving effortless.  
Alloy wheels and a rear spoiler improve handling  
and style. A CD radio cassette offers pure,  
enveloping sound.

### **S70 CD equipment includes:**

#### **S70 SE plus:**

Electronic Climate Control  
Electric Sunroof  
Leather-faced Upholstery  
Red Wood Dashboard  
Electric Driver's Seat  
with Memory  
SC805 RDS CD  
Radio Cassette  
Cruise Control  
Cupholders  
Illuminated Driver's  
Vanity Mirror

# S70 Packs

Four different equipment packs let you refine your S70 still further. Each contains a specially selected collection of options. You can add one or more packs to the S70. The SE already includes the Sports and Comfort packs.

The CD includes Sports, Comfort and Luxury pack equipment. You can also choose items individually. Turn to the back of the brochure for full details of options.

## **Sports Pack**

### **For enhanced handling and style**

Front Fog Lights

Rear Spoiler

Leather Steering Wheel

15" Antlia Alloy Wheels - 195/60R1 5V Tyres (Four)

16" Perfo Alloy Wheels - 205/50R1 5W Tyres (T5) (Four)

## **Comfort Pack**

### **Additional comfort and convenience**

Air Conditioning or Electric Sunroof

Integrated Child Seat

Information Centre

## **Winter Pack**

**Beat the** winter chill

Headlamp Wash/Wipe

Heated Front Seats

Traction Control - TRACS

## **Luxury Pack**

### **Refinement at its finest**

Electronic Climate Control

Leather-faced Upholstery

Electric Driver's Seat with Memory

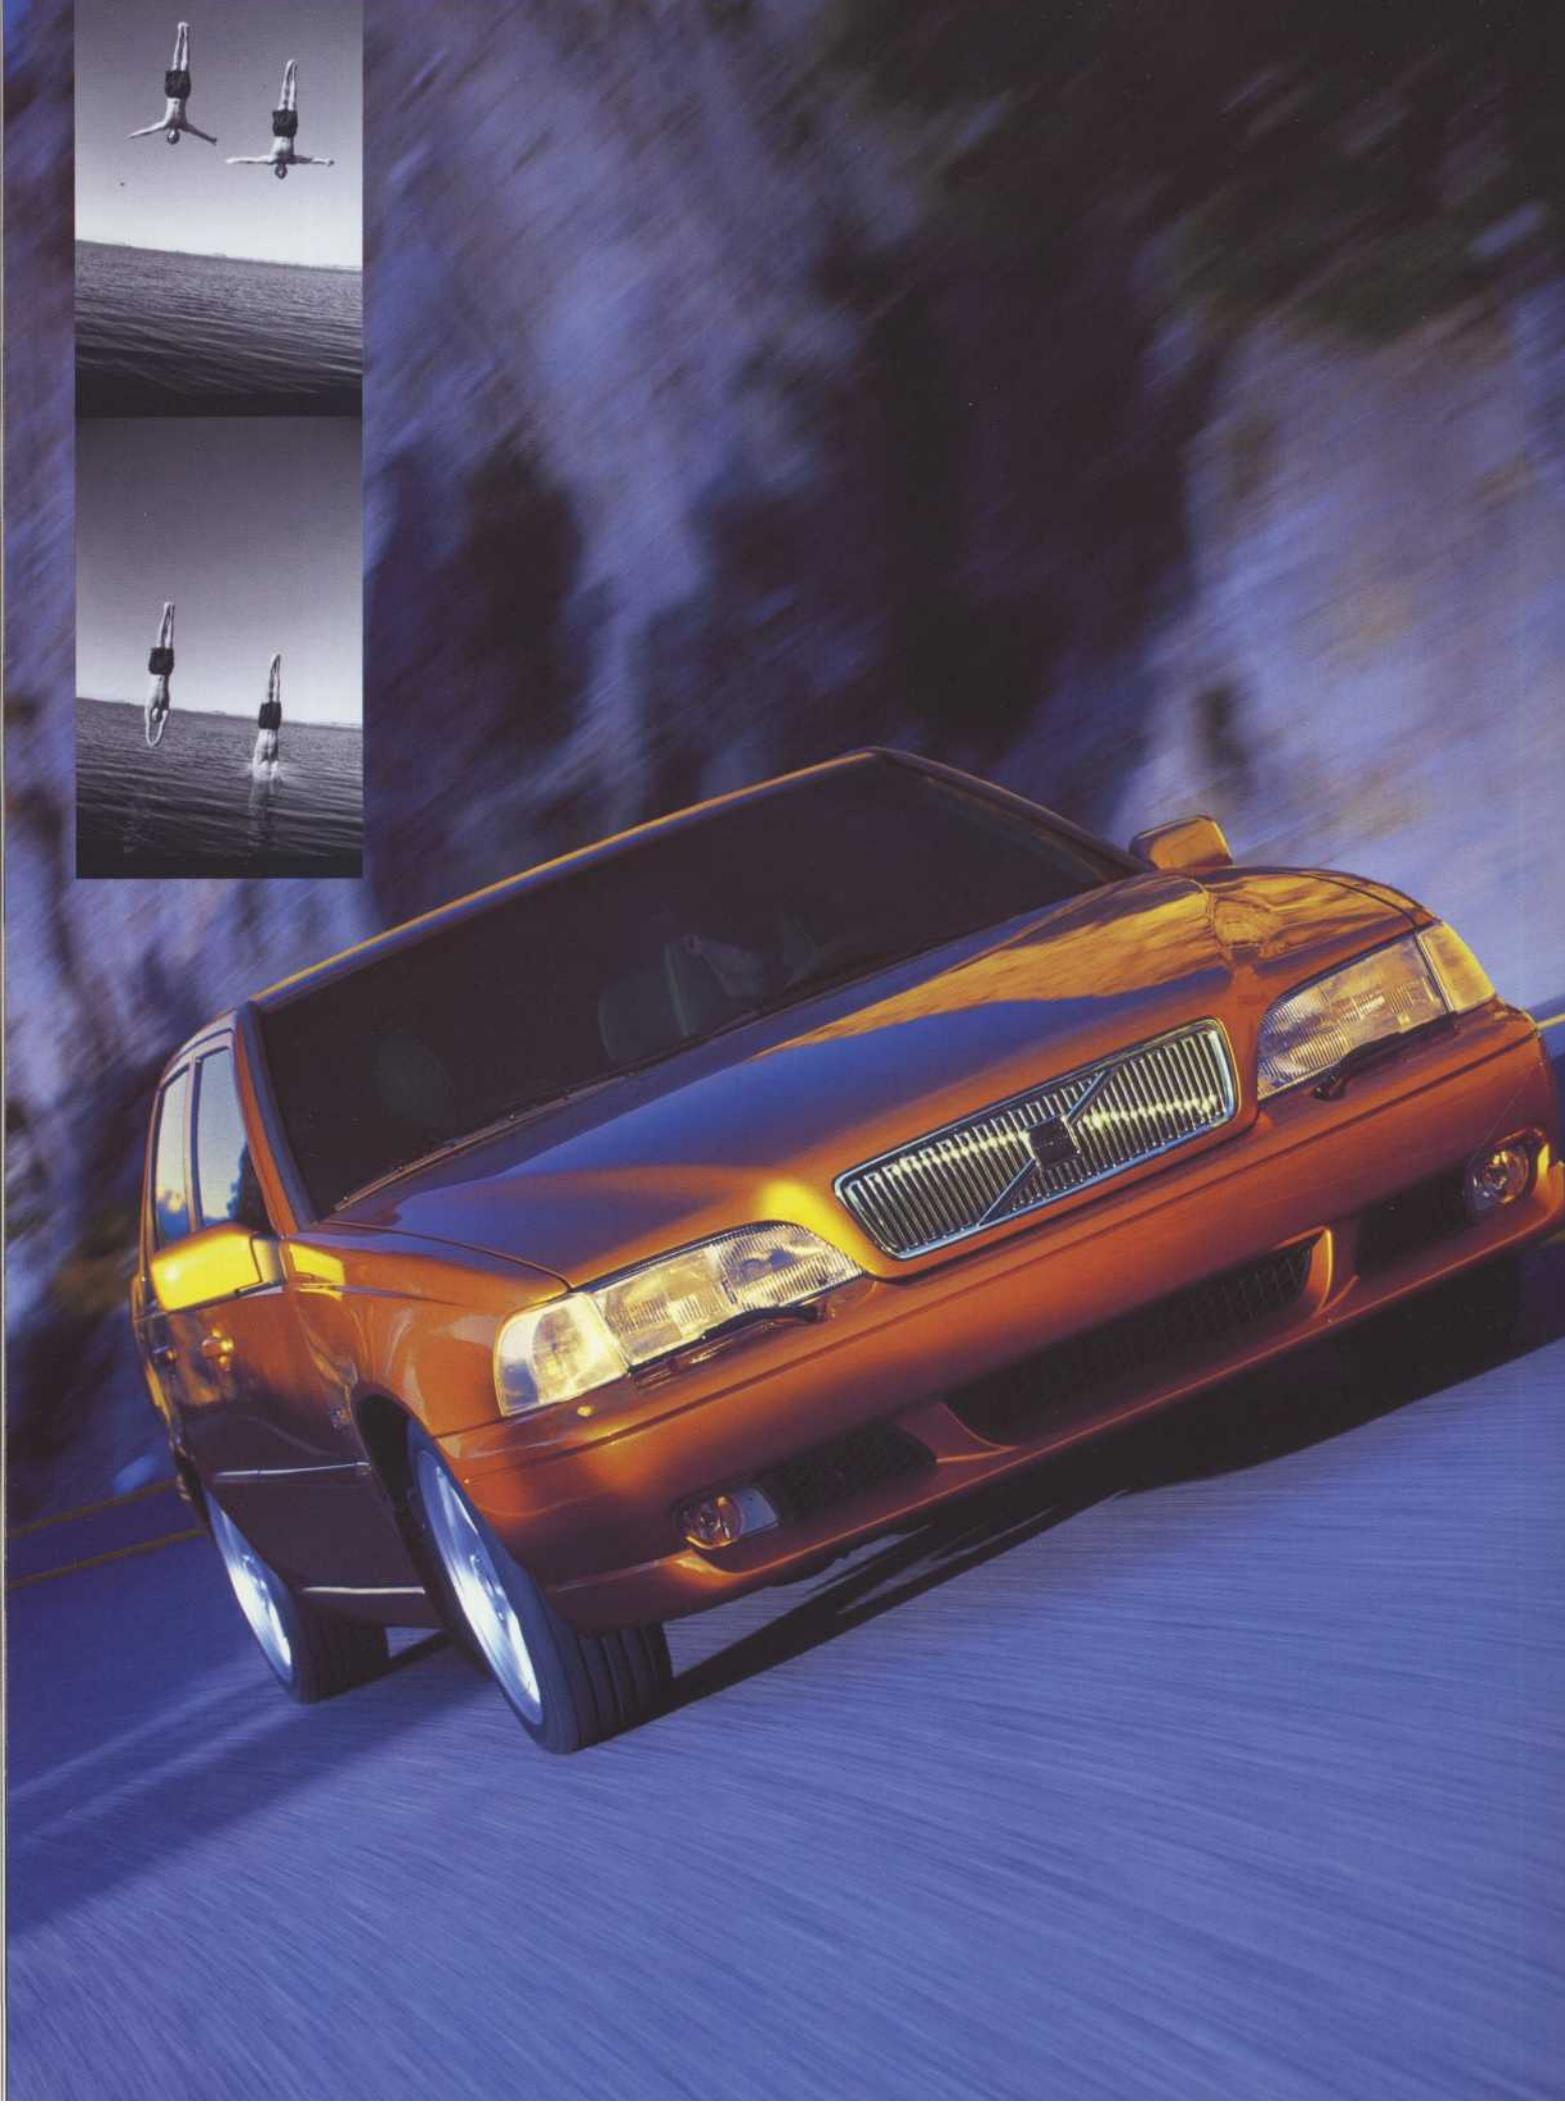

Red Wood Dashboard

SC805 RDS CD Radio Cassette

Cruise Control

Cupholders

Illuminated Driver's Vanity Mirror

# S70 R

**The ultimate driving experience.**

An insistence on the most exacting specification should be suitably rewarded.

The S70 R excels in every sphere. From the electrifying performance to the unsurpassed interior equipment, the S70 R stands alone.

The sense of power is overwhelming. Under the bonnet, a 2.3 litre 250 bhp\* turbocharged petrol engine takes the car from 0-62 mph in just 6.7 seconds. A lowered sports chassis with special anti-roll bars and shock absorbers makes safe, spirited cornering an everyday pleasure.

A viscous coupling in the differential ensures the increased power is transmitted most efficiently to the front wheels\*\*.

Inside, the S70 R is equally unforgettable.

Distinctive aluminium panels confer an exclusive sporting feel to the cabin. Power front seats glide effortlessly to the perfect driving position.

Electronic Climate Control automatically ensures the perfect temperature. Leather and quilted Alcantara® upholstery enhance the interior.

The S70 R. Reward yourself with the ultimate driving experience.

## **S70 R equipment includes:**

### S70 plus:

Leather/Alcantara Upholstery	Electric Glass Sunroof
Leather/Alcantara Steering Wheel and Leather Gear Selector	Metallic Paint
Integrated Child Seat	Stainless Steel Sill Covers
Electronic Climate Control	'R' Logo Floor Carpets
Patterned Aluminium inlays to dash, tunnel console and glovebox	Illuminated Driver's Vanity Mirror
Blue Backed Instruments	Cupholders
SC900 RDS 3 x CD Stereo Radio Cassette + 8 Speakers	Front Fog Lights
4 x 50w Amplifier	Rear Spoiler
Information Centre	Traction Control - TRACS
Cruise Control	Lowered 'R' Chassis
Electric Front Seats with Driver's Memory	17" Comet Graphite Alloy Wheels - 205/45R Tyres (Four)
	Pre-wiring for rear CD Autochanger
	Heated Front Seats
	Headlamp Wash/Wipe

\* Manual; Automatic version 240 bhp, 0-62 mph in 7.3 seconds.  
\*\* Manual only.

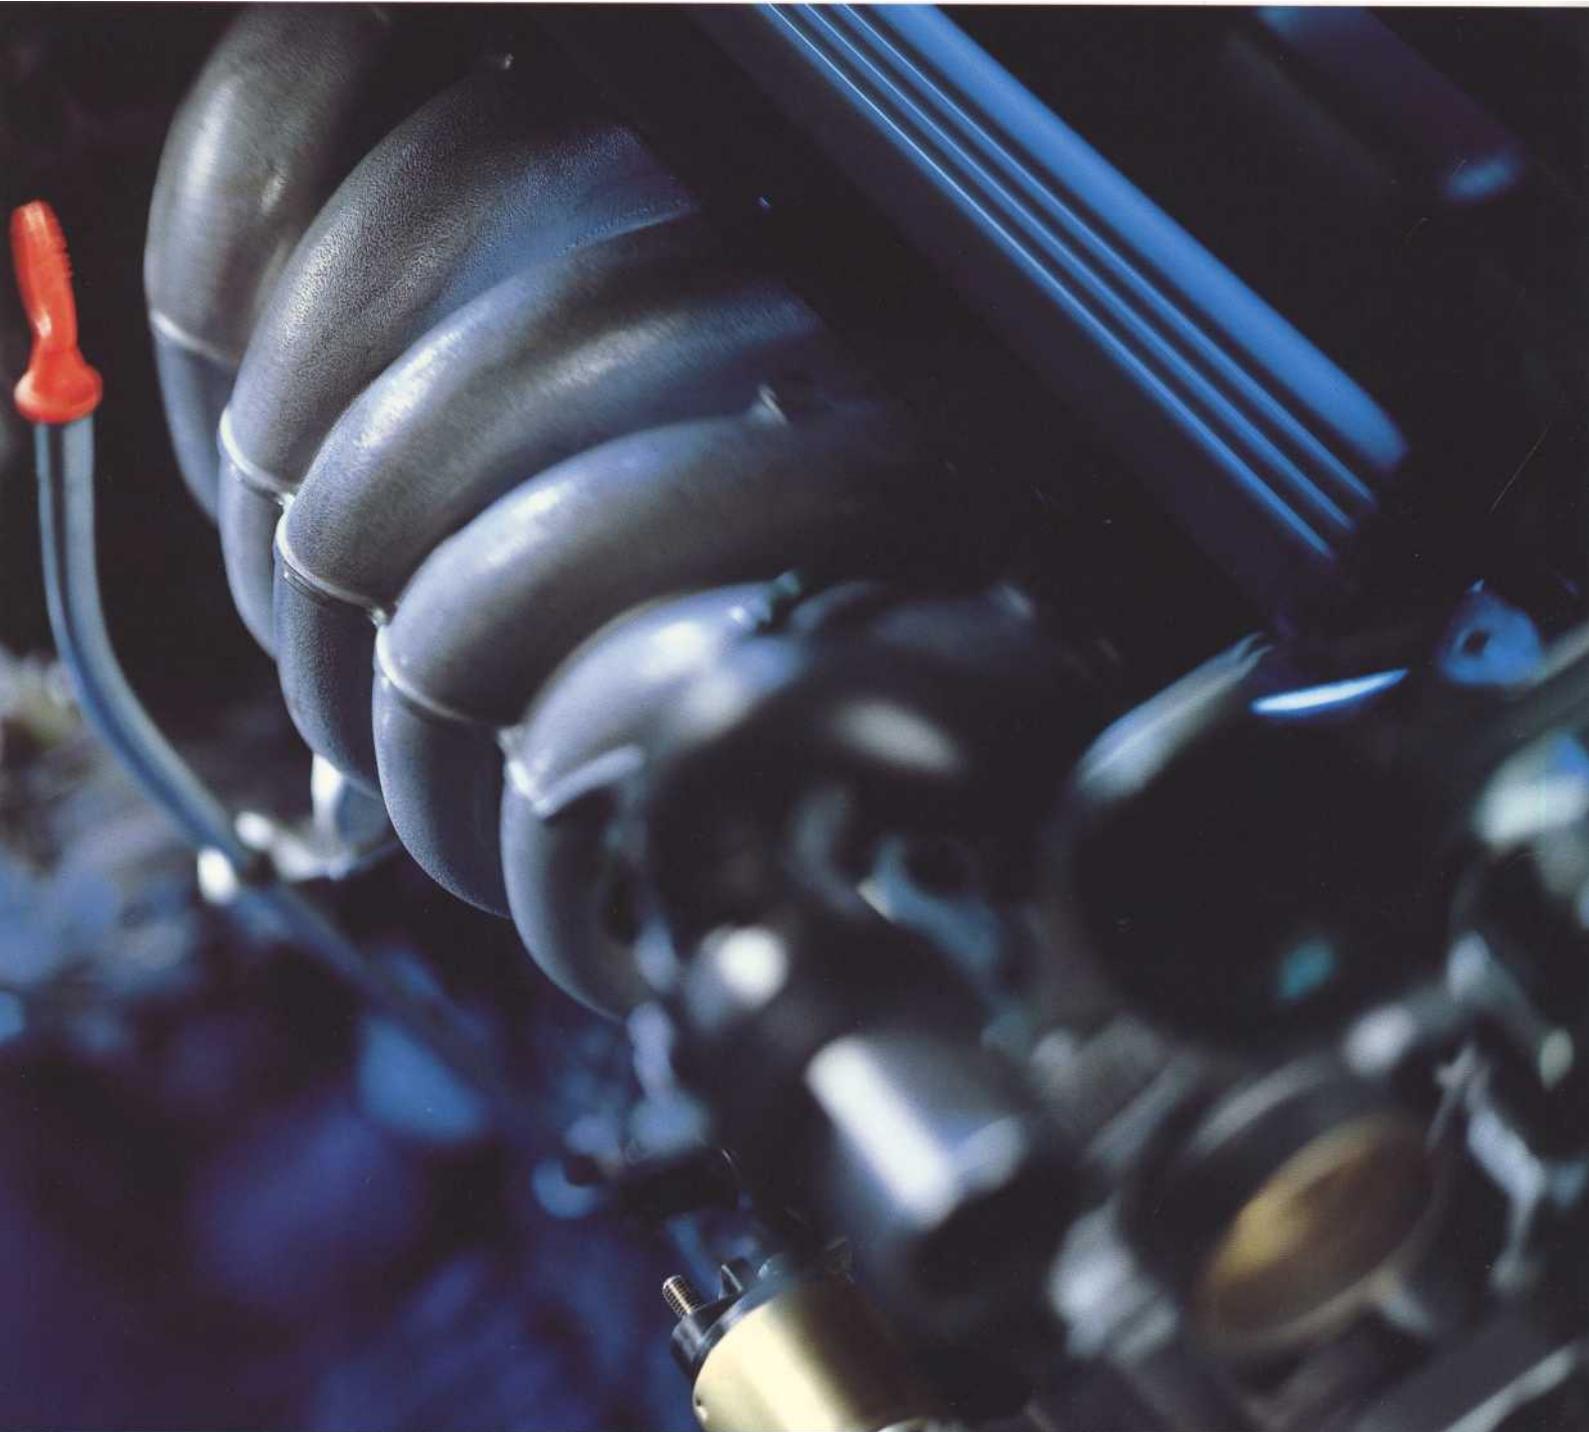

# Engine and chassis technology

**Performance to satisfy head and heart.**

Sports handling, outstanding roadholding and assertive power combine to make the S70 a car to excite on any road. Advanced chassis and suspension design results in characteristics which exploit the most powerful engine technology with confidence.

The choice of seven smooth five cylinder engines includes petrol and turbo diesel options.

With power outputs ranging from a willing 126 bhp for the 2.0 litre 10 valve to a blistering 250 bhp for the manual 2.3 litre R, there is performance for every driving need.

Double overhead camshafts and sophisticated electronic engine management systems contribute to outstanding flexibility and efficiency.

An aluminium engine block and cylinder head reduce weight, improving handling and fuel economy. The S70 R takes just 6.7 seconds\* to reach 62 mph. Equally the 140 bhp Turbo Diesel will return up to 54 mpg (5.2 l/100km) at typical motorway cruising speeds.

One of two chassis settings is available except on the S70 R. The standard 'dynamic' setting provides optimum passenger comfort. The optional Sports setting reduces the car's road height by approximately 2cm, lowering the centre of gravity. The result is sporting agility with a firmer, yet still compliant, ride. A five speed manual or four speed automatic transmission lets you enjoy your preferred level of driving involvement.

The S70. Flexible performance to satisfy head and heart.

#### S70 engine choices

2.0 litre 10 valve	Smooth and economical	126 bhp
2.5 litre TDI	Performance with economy	140 bhp
2.5 litre 10 valve	Wide torque for willing towing	144 bhp
2.5 litre 20 valve	Effortless cruising	170 bhp
2.5 litre 2.5T	Refined acceleration	193 bhp
2.3 litre Turbo (T5)	Sports performance	240 bhp
2.3 litre Turbo (R)	Real pulling power	250 bhp
		(Auto 240 bhp)

\*Manual; Automatic version 240 bhp, 0-62 mph in 7.3 seconds.

Five cylinders and a compact gearbox combine to yield the power of a large engine in the space of a small one.

The automatic transmission has three driving modes: E (Economy) gives the smoothest ride, S (Sports) provides optimum acceleration and W (Winter) minimises the risk of wheelspin on icy roads.

Triple synchronisation makes all manual gear changes smooth and positive.

The three-way catalytic converter with Lambda sensor eliminates more than 95% of the carbon monoxide, hydrocarbons and nitrogen oxides in the exhaust fumes.

The diagnostic system promotes cleaner emissions and fast, economical servicing.

# Standard and Optional Equipment

## S70 standard equipment includes:

Safety  
SIPS (Side Impact Protection System)  
SIPS Airbags  
Driver's Airbag  
Front Seat Belt Pre-tensioners  
Height Adjustable Front Seat Belts  
5 Three-point Seat Belts  
Head Restraints for all five seats  
ABS (Anti-lock Brakes)  
Tinted Windows  
High Level LED Brake Light

### Exterior

Colour Coordinated Bumpers and Door Mirrors  
Vented Wheelcovers

### Interior

Heater Unit with separate Driver and Passenger Temperature Controls  
Pollen Filter  
Power Steering  
Delta-link Independent Rear Suspension  
Madison Plush Upholstery  
Asymmetric Split-folding Rear Seat  
Forward Folding Front Passenger Seat  
Exterior Temperature Gauge  
Electric Front and Rear Windows  
High Front Armrest  
SC802 RDS Radio Cassette with 8 Speakers and Auto Sound Control  
Internal Boot + Fuel Flap Release  
Electrically Adjustable and Heated Door Mirrors

### Security

Deadlocking System  
Remote Control Central Locking including Fuel Flap  
Anti-theft Alarm  
Immobiliser  
Locking Wheel Nuts (Alloy Wheels)

<b>WEIGHTS</b>		<b>S70 R</b>
Min. kerb weight, kg (actual kerb weight dependent on spec.)	1392	1464
Max. possible towing weight braked, kg (lbs)	1600 (3527)	1600 (3527)
Ground clearance (driver plus one passenger) mm	140	140
Max. towing weight unbraked approx., kg (lbs)*	696 (1534)	732 (1613)
Max. total weight, kg	1920	1920
Max. roof load, kg	100	100
Max. payload, kg (lbs) (dependent on spec. of car)	528 (1164)	456

<b>LUGGAGE COMPARTMENT</b>	
Volume, litres (cu. ft.)	427 (15.1)
Volume, rear seats down, litres (cu. ft.)	941 (33.2)

<b>WHEELS AND TYRES</b>	
15" Vented wheelcover	195/60R15V    Pirelli P6000 (205/55R15W Pirelli P6000 on 2.5 T)
16" Vented wheelcover	205/50R16W    Pirelli P6000
15" Antlia/Chiron alloy wheels (four)	195/60R15V    Pirelli P6000
15" Antlia/Chiron alloy wheels (four)	205/55R15W    Pirelli P6000
16" Perfo/Pursus/Uranus alloy wheels (four)	205/50R16W    Pirelli P6000
17" Comet alloy wheels (four)	205/45ZR17W    Pirelli PZero

All measurements in cm.

**Notes**

All weights for any specific vehicle will vary according to standard and optional equipment fitted.

A weighbridge must be used to determine specific weights.

Data valid for manual transmission unless specified.

\* Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.

**Man** = Manual transmission. **Auto** = Automatic transmission.

\*\* The Urban fuel consumption figure is based on typical city driving, including starting the car from cold.

The Extra Urban figure is based on typical motorway driving and cruising.

The Combined figure averages the consumption across both cycles.
