

Roof, integrity check

Obs! The illustrations in this service information are used for different model years and/or models. Some variation may occur. However, the essential information in the illustrations is always correct.

Check

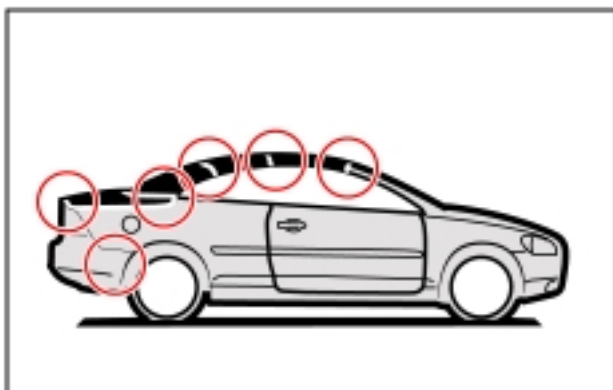

1

Roof, integrity check

Rinse with lots of water when checking for leaks.

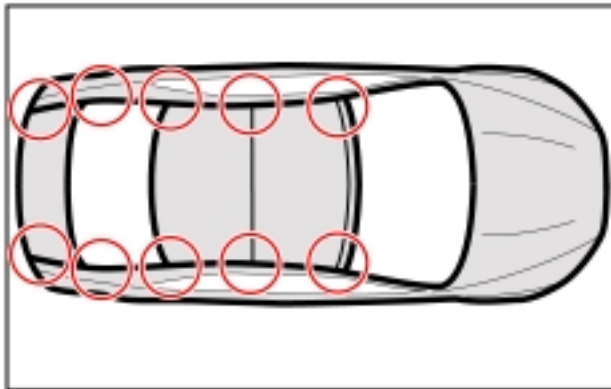

Check extra carefully at the points indicated in the figure.

In case of leakage, see: VCC-264611-1, Roof, adjusting.
